Mission of the Bryn Athyn Church School
The Bryn Athyn Church School seeks to provide children with an education with a spiritual foundation, based on the teachings of the New Church, to prepare them to become confident, caring, and useful citizens of this world, and of the Lord’s heavenly kingdom.
The Annual Fund supports things like:

- Smiley Parties!

I pay tuition; why am I being asked to give to the Annual Fund?

The total cost of educating a student at BACS is approximately $15,407 per year. All families receive some financial support through the Annual Fund and endowment income (student financial aid). Our goal is to provide an affordable education with a spiritual foundation based on the teachings of the New Church. Because no one is asked to pay the full tuition, we rely on donations to provide this education year-after-year.

Why am I being asked to give to the EEF?

The EEF is used exclusively to pay for materials and activities that enhance the student's education. The budgeted cost for these enhancements is $20,000, or approximately $76 per student. Rather than require students to bring in money each time a field trip occurs or there is a special request from teachers, we use the EEF to fund these events. Please consider a donation to enhance your student's education this year. For a list of activities supported by this fund visit: brynathynchurchschool.org/support-us/fund/
