

**And God Said,
And It Was So.**

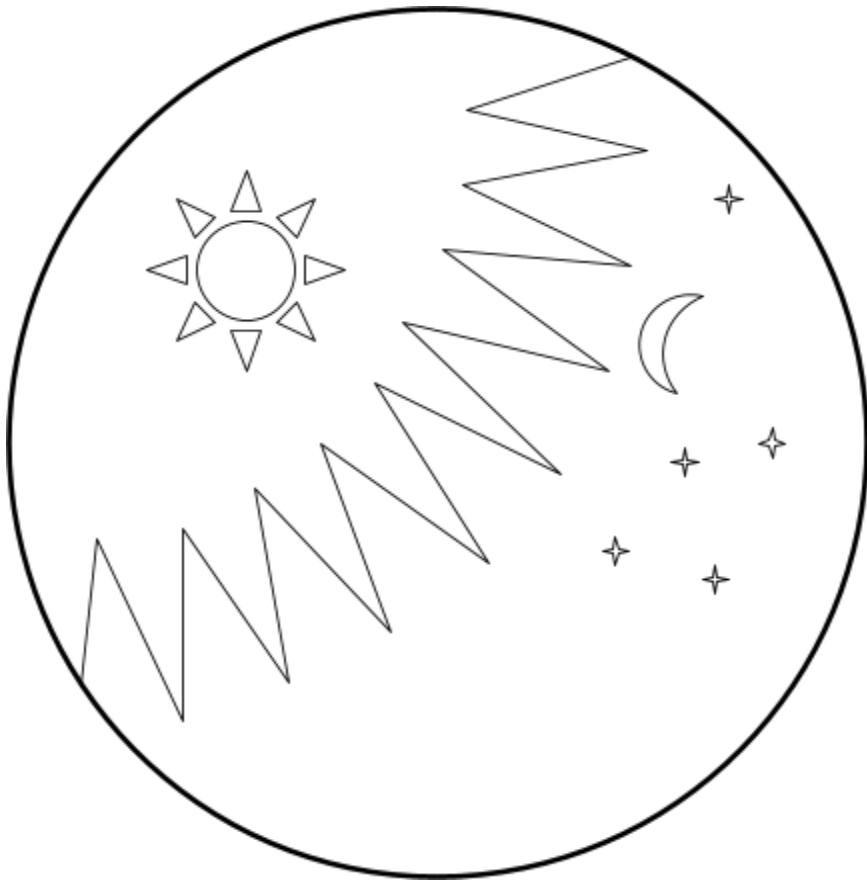

And God said,
“Let there be light!”
Let there be day
and let there be night!
And it was so.

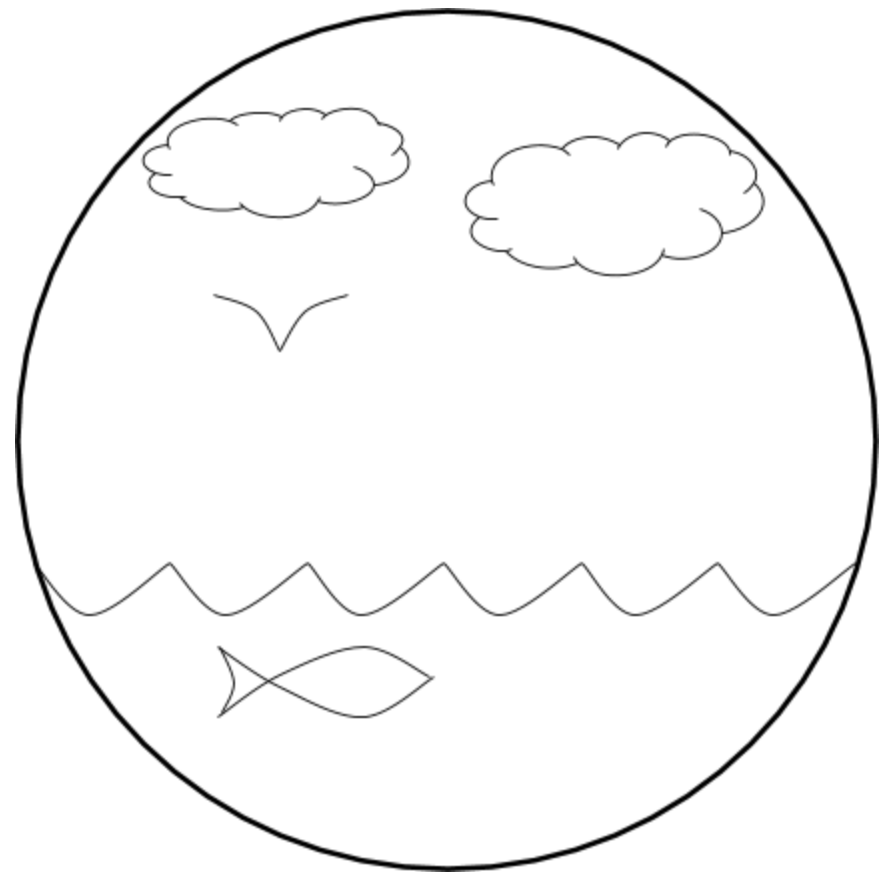

And God said,
“Let there be sky!
Waters beneath
and waters on high.”
And it was so.

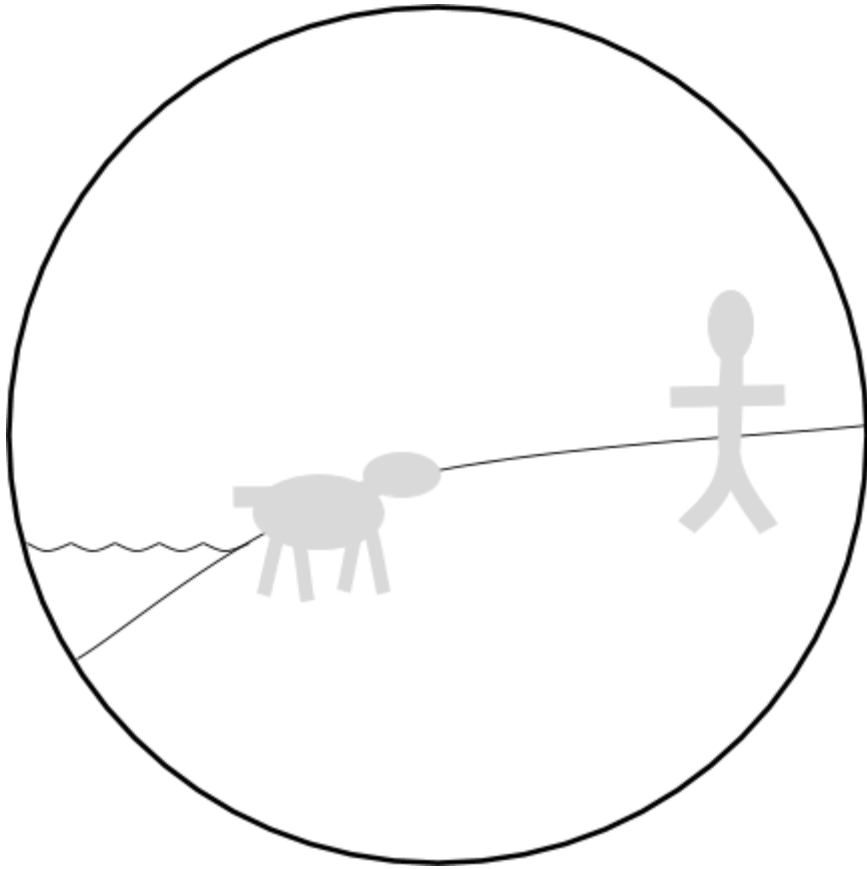

And God said,
“Let dry land appear!
Let grass and trees
grow far and near!”
And it was so.

And God said,
"Let the sun rise!
Let moon and stars
shine in the skies!"
And it was so.

And God said,
"Let fishes abound!
Let birds sing sweetly
all around."
And it was so.

And God said,
“Let animals roam!
Let Man in Eden
make his home.”
And it was so.

And God said,
“Let all things be blessed!
And let the Sabbath
be for rest.”
And it was so.
