

## LIFE AFTER DEATH

When we die we simply move from one world into another.

*(Heaven and Hell 445)*

After the death of the body, the spirit of a person appears in the spiritual world in a human form, altogether as it appeared in the natural world. They also enjoy the faculty of sight, of hearing, of speaking, and of feeling, as before in the world. They are endowed with every faculty of thought, of will, and of action, as before in the world. In a word, they are a person in all things and in every particular, as they were before in the world. This continuation of life is what is meant by the resurrection.

*(Arcana Coelestia 10594-5)*

## THE NEW CHURCH TEACHES:

- Our Lord Jesus Christ is the one loving God. He is never angry and never gives up on us.
- The Bible is God speaking to us through literal stories, parables and a deeper spiritual meaning.
- Heaven's happiness is felt whenever we invite God to inspire our daily work and services to others.
- Spiritual freedom is a gift. God endows us with the capacity to choose our eternal destiny.
- Salvation is progressive. It is a gradual lifting up of our spirit as we grow in love, faith and useful service.
- Marriage love between a husband and wife is a blessing God longs for us to enjoy. In His care, we can find and strengthen this precious love to eternity.
- Life after death is real. Everyone continues life's journey right away as a complete person.
- Heaven is for all people who become angels by living according to God's Commandments.
