

## AMAZING GRACE

Amazing grace how sweet the sound  
That saved a wretch like me  
I once was lost, but now I'm found  
Was blind but now I see

'Twas grace that taught my heart to fear  
And grace my fears relieved  
How precious did that grace appear  
The hour I first believed

Through many dangers, toils, and snares  
I have already come  
This grace that brought me safe thus far  
And grace will lead me home

When we've been here ten thousand years  
Bright, shining as the sun  
We've no less days to sing God's praise  
Than when we first begun

Amazing grace how sweet the sound  
That saved a wretch like me  
I once was lost, but now I'm found  
Was blind but now I see

## LIFE AFTER DEATH

When we die we simply move from one world into another.  
*(Heaven and Hell 445)*

After the death of the body, the spirit of a person appears in the spiritual world in a human form, altogether as it appeared in the natural world. They also enjoy the faculty of sight, of hearing, of speaking, and of feeling, as before in the world. They are endowed with every faculty of thought, of will, and of action, as before in the world. In a word, they are a person in all things and in every particular, as they were before in the world. This continuation of life is what is meant by the resurrection. *(Arcana Coelestia 10594-5)*
