

Teachings of the New Church

“The Lord appeared to Solomon in a dream by night; and God said, ‘Ask! What shall I give you?’ ...And Solomon said, ‘Give to Your servant an understanding heart to judge Your people, that I may discern between good and evil’...and the speech pleased the Lord, that Solomon had asked this thing.”

1 Kings 3:5, 9, 10

The faculty of wisdom is not meant that of reasoning...or that of argumentation...but the faculty of clearly seeing what is true and good, of choosing what is suitable, and of applying it to the uses of life.

Secrets of Heaven 10227:3

It is a goal of Divine Providence that *what has been separated become united*, and thus that a marriage of good and truth be restored.

Divine Providence 9

The intellect alone is not what makes a person, nor the will alone, *but the intellect and will together*.

Minister's prayer followed by the Lord's Prayer

Our Father, who art in the heavens, hallowed be Thy Name. Thy kingdom come. Thy will be done, as in heaven so upon the earth. Give us this day our daily bread. And forgive us our debts as we also forgive our debtors. And lead us not into temptation, but deliver us from evil. For Thine is the kingdom, and the power, and the glory, forever. Amen.
